

Bredon Hill Academy

— LEARNING TOGETHER FOR SUCCESS —

15th November 2024

Dear Parent/Carer

At Bredon Hill Academy our aim is that all our pupils are readers. We have missed our library; the beating heart of our school. We are excited therefore to announce that our new library is nearing completion of its building stage. We will be officially opening it on Monday 19th May with a very special guest helping us to do so. In the meantime, we want to raise funds to buy a completely new stock of books for your children to enjoy.

We are therefore running a sponsored read from Monday 18th until Monday 25th November 2024. This will enable your child to further develop a reading habit and to feel a sense of purpose in helping to develop their own learning environment. Every child who raises £7.99 will have a book placed into the library with a bookplate commemorating their achievement in donating a book to the Bredon Hill Academy Library.

Any sponsorship donations will need to be paid into the ParentPay account by Friday 29th November 2024. Please send forms in by Friday 29th November so that we can reward students with certificates and house points. This will help us organise the bookplates too.

Thank you in advance for supporting your child with their reading this week and every week and for any donations made.

We look forward to showing you around our new library in the near future.
